INTERNSHIP COMPLETION CERTIFICATE

To Whom It May Concern,

This is to certify that **Sayoni Chakraborty**, a student of Kalinga Institute of Industrial Technology, has successfully completed her winter internship with the Department of Computer Science and Engineering, Indian Institute of Technology (IIT) Bhubaneswar from December 5th, 2024 to January 15th, 2025.

The internship was part of the project titled “Geospatial Knowledge Inference Using LLMs for Enhanced Travel Decision-Making”, supported by the Microsoft Academic Partnership Grant 2024 (Principal Investigators: Dr. Shreya Ghosh and Dr. Abhik Jana).

During this project, Sayoni made significant contributions to personalized travel planning work. Throughout the internship, Sayoni demonstrated professionalism, dedication, and a strong interest in learning. She was actively involved in annotating and testing personalized travel planning data, with the objective of creating a new and robust dataset. Sayoni exhibited strong skills in data analysis and teamwork, and her contributions were integral to the success of the project.

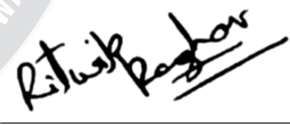

We extend our best wishes to Sayoni Chakraborty for her future academic endeavors.
